

Agile-1 Recognises Top Suppliers in the UK at Inaugural Summit

TORRANCE, CA, 15 October, 2014—[Agile-1](#), a global workforce management solutions company, is proud to announce the winners of its UK Supplier Excellence awards, recognising the “Best of the Best.” Supplier awards were presented during the company’s first annual UK Supplier Excellence Summit held earlier today at the Sopwell House in St. Albans, England.

“At Agile-1, we understand that our rapid growth in the UK is in large part due to the successful partnerships we have established with our suppliers,” said Mrs. Janice Bryant Howroyd, Founder and CEO of Agile-1. “Their commitment to service excellence empowers us to deliver exceptional workforce solutions to our clients in a complex and competitive labour market.”

Agile-1 recognised suppliers across several categories; results were as follows: Room at the Top was the winner of the Supplier of the Year award. Gold and Silver awards were presented to Coyle Personnel and Central Employment Agency, respectively. The Venn Group was the winner of the Emerging Supplier of the Year. Award winners were determined by comparing performance data and satisfaction surveys from account and on-site teams. A normalised score was created for every supplier to define actual rankings based on assurance of supply, quality and service.

“These companies will become part of our [Valued Supplier Management Programme](#), in which Agile-1 introduces and promotes top-performing suppliers to our entire client base, providing them with greater opportunities to expand their businesses,” said Peter Carvalho, President of Agile-1. “Our goal is to connect, build and foster strong relationships with suppliers who demonstrate the ability to deliver value in terms of cost, quality and customer service.”

Guest speakers at the UK Supplier Excellence Summit included subject matter experts from top analyst and international law firms who delivered messages on global and local market trends and employment law updates. Agile-1 would also like to acknowledge the key suppliers and valued partners in attendance: Aerotek, Aquent LLC., Huntress Group, Lab Support UK Ltd., NES Global Talent, Radiant Systems Europe Limited, Spectraforce Technologies, Inc., and Tech Talenta, Inc.
